

DRIVESAFE

Driving Tips From The War Amps DRIVESAFE Program

DRIVESAFE Tips

- Tailgated? Let 'em go by!
- Don't be panicked by other drivers.
- Skateboards, rollerblades and bikes are here – share the road.
- Slow down by 10 km/h in bad weather.
- Be seen. Use your headlights night and day.
- Don't sightsee when behind the wheel.
- Anger is dangerous. Try a smile.
- Conversation distracting? Head it off – politely.
- Expect the other driver to ignore signals. Don't trust others with your life.
- Don't be tempted to phone or text – use hands-free or turn it off.

Safety List

Pilots call it a cockpit check. Make it an automatic drill before "takeoff."

- U Seat position
- U Mirrors
- U Windows clear
- U Brake lights
- U Turn signals
- U Headlights (low beam, please)
